Dear Parents/Guardians,

Greetings of peace through Mary, Mother of the Church!

Inspired by the words of St. Paul, I can say that; we have fought the good fight... we have finished the race... we have kept the faith... in spite of the pandemic that we are continuously experiencing, we are now on the second year of our Online Distance Learning. After a series of orientation with the parents, students and teachers in preparation for this Academic Year, I would like to invite you to take part in this self-sacrificing mission of educating and molding the minds and hearts of your child/ren intellectually, socially, morally, physically and spiritually during these trying times.

As we officially begin the regular schedule of classes, we have attached here the proposed plan of school activities for this School Year 2021-2022 for your reference. In addition, we will be issuing a monthly Circular Letter which will serve as your guide if ever there will be changes and additional information aside from those which are already listed and scheduled here. Likewise, we encourage you to visit regularly our website (www.materecclesiaeschool.edu.ph) and our official FB account (Mater Ecclesiae, A Catholic School run by the DVMI Sisters) where you can access and view MES information and updates.

For easier and faster communication, you may also contact the school office on the following numbers:

Once again, thank you very much for your unceasing support and cooperation in all our school endeavors. May God bless us all as we work together for the good of everyone and for the greater glory of God.
